OTE 86-5636

16 April 1986

MEMORANDUM FOR: Director of Personnel

VIA: Chief, Career Management Staff/DDA
Deputy Director for Intelligence

FROM: [REDACTED]
Director of Training and Education

SUBJECT: Request to Hire Annuitant as Independent
Contractor [REDACTED]

1. Action Requested: Your approval is requested to engage the services of [REDACTED] on an as needed basis as an independent contractor for the Office of Training and Education (OTE) for a period of one year beginning 3 May 1986.

3. OTE requires [REDACTED] services to serve as instructor for a new science and technology program scheduled to begin in June 1986. The program will include courses entitled "Rapidly Advancing Technologies," "Science and Weapons Intelligence," and the seminar "Science and Technology Forecasting." As an experienced instructor, [REDACTED] will advise OTE during the design phase of new courses he will instruct on the Strategic Defense Initiative and technology transfer. [REDACTED] has demonstrated an ability to participate in the instruction and modification of existing science and technology courses, drawing on his background as a long-time analyst and manager in offices with responsibilities in those areas.

4. OTE currently does not have a staff member who is substantively qualified to direct the science and technology courses. Nor is it possible at this time to recruit a first-rate analyst on rotation from the DI to design and develop this program and its courses. DI analysts are facing an ever heavier workload in keeping up with high-tech developments and could not afford the lost production. The unique Agency related background required to coordinate the program combined with the sporadic nature of the work make staffing with a regular employee impractical.

25X1 5. In the course of providing the services outlined above,
[redacted] will, to the extent practicable, convey his knowledge and
25X1 experience to junior officers who might benefit from such guidance.

[redacted]

25X1 6. In view of the foregoing, your approval is requested to
engage [redacted] as an independent contractor for a period of one
25X1 year.
